RECOMMENDED DECISION AND ORDER

Susan K. Schreurs, Hearing Officer. This case involves a Petition for Amendment of Unit filed by the Fort Madison Community School District [hereinafter District] under Sections 13 and 14 of the Public Employment Relations Act, IOWA CODE Chapter 20 (1983) and 660 IOWA ADMIN. CODE §4.7. The District filed the Petition on November 22, 1983, seeking to exclude substitute teachers from the bargaining unit represented by the Fort Madison Education Association [hereinafter Association].

Hearing on the matter was held on May 17, 1984. On the basis of the record I make the following findings of fact and conclusions of law.

FINDINGS OF FACT

The facts in this case are not in dispute. In PERB Case No. 73, the Public Employment Relations Board [hereinafter Board] certified the Association to represent the following professional bargaining unit in the District:

Classroom teachers, guidance counselors, librarians, nurses, special education personnel hired by the Fort Madison Community School District, department heads, coordinators and head teachers, substitute teachers, and resource teachers.

The current master contract, covering 1982-1984, contains a recognition clause acknowledging the Association as the bargaining representative for the above-described unit.

In November of 1983 a grievance arose concerning seniority for persons classified as substitute teachers. Substitutes are individuals who are on call. There is no evidence that they possess a reasonable expectation of continued employment. Although the grievance was resolved, the issue of the legality of including substitute teachers in the bargaining unit remained.

CONCLUSIONS OF LAW

This case is governed by Cedar Rapids Community School District, 76 PERB 538. There, the Board ruled that substitute teachers were properly excluded from the bargaining unit. In accordance with Cedar Rapids, I find that substitute teachers are properly excluded from the bargaining unit represented by the Association.

Accordingly, I hereby issue the following recommended:

ORDER

IT IS HEREBY ORDERED that the bargaining unit certified in PERB Case No. 73 be amended to exclude substitute teachers.

DONE this 22nd day of May, 1984.
