PROPOSED DECISION AND ORDER

Statement of the Case

James A. McClimon, Administrative Law Judge. This case concerns an amendment of bargaining unit petition filed by AFSCME/Iowa Council 61 (AFSCME) pursuant to Rule 4.6 of the Public Employment Relations Board (Board). AFSCME seeks to amend an existing bargaining unit represented by AFSCME to include secretary (police department); survey chief (public works); and the following job classifications in the parks and recreation department: business office manager, golf course manager, recreation manager, parks manager, and club house supervisor.

A public hearing was held in Bettendorf, Iowa, on August 18, 1992, at which time AFSCME and the City of Bettendorf (City) had full opportunity to present written evidence and testimony. The parties did not file post-hearing briefs.

Based on the record presented at hearing, I make the following:

FINDINGS OF FACT

AFSCME/Iowa Council 61 represents a "general" City bargaining unit which includes approximately fifty (50) employees who work in

necessarily acting as a line supervisor, nonetheless acts as a representative of the employer in the promulgation and implementation of policy. In this case it is clear that the golf course manager, and not the club house supervisor, is responsible for the overall operation of the golf course, and it is my considered opinion that the club house supervisor's recent participation in the budget-making process does not establish that the club house supervisor is a managerial employee within the meaning of Davenport Community School District.

Based on the foregoing, and the preliminary proposed decision and order issued in this case, I issue the following:

ORDER

The "general" City bargaining unit and the certification of AFSCME/Iowa Council 61, in PERB Case No. 3845 are amended to include the job classifications contained in Appendix A (attached), and the bargaining unit and certification are amended to exclude the job classifications contained in Appendix B (attached). Appendix C contains the job classifications which the City and AFSCME agreed at hearing to exclude from the "general" City bargaining unit.
