ORDER OF RECERTIFICATION

Following the filing of an order directing an election, the Public Employment Relations Board (Board) conducted a retention and recertification election pursuant to Iowa Code section 20.15(2). The Board, having subsequently reviewed the file and being fully advised in the premises, finds that a majority of the employees in the bargaining unit voted in favor of retaining and recertifying Sioux City Professional Firefighters Association Local 7 as the exclusive bargaining representative of the bargaining unit described below.

No objections to the election were filed as provided for in Iowa Code section 20.15(4) and PERB rule 621-15.4 and no postelection challenges were filed pursuant to PERB subrule 15.2(4). Therefore, the Board finds that an order of recertification should be issued.

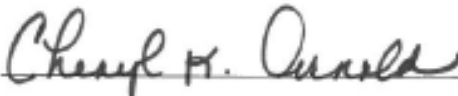

IT IS THEREFORE ORDERED that Sioux City Professional Firefighters Association Local 7 is hereby recertified as the exclusive bargaining representative of the following bargaining unit of employees of City of Sioux City:

INCLUDED: All uniformed members of the Sioux City Fire Department including privates, lieutenants, and captains.

EXCLUDED: Fire chief, assistant chiefs, fire marshal, fire training officer, clerical, mechanic, and all other persons excluded by Section 4 of the Public Employment Relations Act.

DATED at Des Moines, Iowa, this 12th day of November, 2019.

DECISION ON APPEAL

This case is before the Public Employment Relations Board (PERB or Board) on appeal from a Proposed Decision and Order issued by a PERB administrative law judge (ALJ) on June 1, 1998. This matter involves a petition for amendment of bargaining unit filed by the City of Sioux City pursuant to PERB rule 621-4.6(20), seeking to remove the job classification of captain from the bargaining unit represented by the Sioux City Professional Fire Fighters Association. In his proposed decision, the ALJ determined that the existing bargaining unit should not be amended to exclude captains. The City appealed from the proposed decision to the full Board.

Pursuant to PERB subrule 621-9.2(3), we have heard the case upon the record submitted before the ALJ. Oral arguments on appeal were presented to the Board on August 5, 1998, by counsel, James Hanks for the City and MacDonald Smith for the Association. Both parties filed briefs on appeal. Prior to the date scheduled for oral argument the State of Iowa, by its Department of Personnel, filed a motion for leave to file an amicus curiae brief in support of the City's position. At oral argument, the parties having no objection, we granted the State's motion.

supervisory status, than it is to City of Oskaloosa, 95 PERB 5173, cited and relied upon by the City, where captains were found to be supervisory. In City of Oskaloosa there were no assistant chiefs or other higher-ranking officers between the level of the captains and the chief. Accordingly, captains were the highest-ranking officers on duty a majority of the time. The Board noted in Oskaloosa that, if the captains in that case were not supervisors, the work force would be operating with no available supervisors 75% of the time. Here, by contrast, assistant chiefs are on duty at least 80% of the time.

In the present case, our conclusion that captains are not supervisors results in a supervisor/employee ratio of approximately 1:19 (six supervisors for 112 employees). This is similar to City of Davenport, where the ratio of supervisors to employees which resulted from the inclusion of captains and lieutenants in the unit was approximately 1:14 (nine for 126).

Having found that captains are not supervisory employees based upon any of the section 20.4(2) criteria, we conclude that the bargaining unit should not be amended to exclude them. We also conclude that the stipulation entered into by the parties to amend the unit description by adding fire marshal and fire training officer to the list of employees excluded from the unit and by removing any reference to the abolished deputy chief position should be and hereby is approved. Accordingly, we issue the following:

ORDER

The description of the bargaining unit originally determined in PERB Case No. 59 (1975) and subsequently amended in PERB Case No. 1970 (1981) is amended to read as follows:

INCLUDED: All uniformed members of the Sioux City Fire Department including privates, lieutenants, and captains.

EXCLUDED: Fire chief, assistant chiefs, fire marshal, fire training officer, clerical, mechanic, and all other persons excluded by Section 4 of the Public Employment Relations Act.
