ORDER NUNC PRO TUNC

It has come to the ALJ's attention that the proposed decision issued in this case on April 16, 2013, inadvertently misstated the parties' stipulation to update the existing bargaining unit's description in certain respects and that the order entered in conjunction with the proposed decision contained the same inadvertent error when describing the amended bargaining unit and also inadvertently referred to the public employer by an incorrect name. These misstatements should be replaced by what was in fact intended by the ALJ at the time of the issuance of the proposed decision and order, as though the correct matter had been included therein.

IT IS THEREFORE ORDERED, nunc pro tunc, that the third paragraph of the Findings of Fact, appearing at pages 2-3 of the proposed decision and order, is stricken and replaced with the following:

There have been a number of changes in hospital positions since that time and the parties have stipulated to the appropriateness of the following updated unit description, subject to the determination of the appropriate placement of the PC supervisors and OB supervisor:

INCLUDED: The following position titles in the nursing division: Patient Care Supervisors (full-time and part-time), OB Supervisor, Registered Nurses, Licensed Practical Nurses, Operating Room Technicians, Nursing Assistants; and the following position titles in the homecare and public health divisions: Registered Nurses and Licensed Practical Nurses.

EXCLUDED: All other Lakes Regional Healthcare employees.

IT IS FURTHER ORDERED, nunc pro tunc, that the order appearing at page 16 of the proposed decision and order is stricken and replaced with the following:

ORDER

PROPOSED DECISION AND ORDER

Lakes Regional Healthcare (Lakes Regional or Hospital) filed a petition for amendment of bargaining unit with the Public Employment Relations Board (PERB or Board) pursuant to Iowa Code section 20.13 and PERB rule 621-4.6(20). Lakes Regional’s petition seeks the exclusion of two positions, patient care supervisor (PC supervisor) and obstetrics supervisor (OB supervisor), from the existing bargaining unit of Lakes Regional employees. Lakes Regional asserts that the positions at issue are representatives of the public employer and thus excluded from chapter 20’s coverage. Lakes Regional Healthcare Nurses Association represents the unit for the purposes of collective bargaining and resists the petition.

Pursuant to notice, the evidentiary hearing was conducted before the undersigned administrative law judge on November 4, 2011, and February 7, 2012. Attorney R.J. Stevenson represented Lakes Regional and Bonnie Winther represented the Association. The parties submitted briefs, the last of which was filed on May 29, 2012.

ORDER

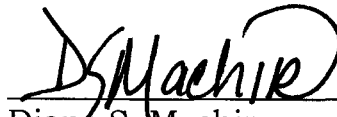

The petition for amendment of bargaining unit filed herein by Greater Lakes Regional Hospital is GRANTED.

The parties' stipulation of bargaining unit is approved, subject to the exclusions ordered in this Case No. 8430, and the bargaining unit previously described in Case No. 4574 is hereby amended to read as follows:

INCLUDED: The following position titles in the nursing division: Registered Nurses, Licensed Practical Nurses, Operating Room Technicians, Nursing Assistants; and the following position titles in the public health divisions: Registered Nurses and Licensed Practical Nurses.

EXCLUDED: All other Lakes Regional Healthcare Employees.

CASE NO. 3344

AMENDMENT OF CERTIFICATION

On November 5, 1986, the above-referenced Petitioner (hereinafter the Association) filed a Petition for Amendment of Certification seeking to change its name to "Dickinson County Memorial Hospital Health Care Unit". The Public Employment Relations Board thereafter issued a "Public Notice of Proposed Decision" notifying the parties that, unless objections were filed by November 26, 1986, the certification would be amended to reflect the name change.

On November 26, 1986, the Dickinson County Memorial Hospital (hereinafter the Hospital) filed a written objection to the proposed amendment on the grounds that the Hospital believed the Association was attempting to alter the make-up of the certified bargaining unit. In a follow-up telephone conversation, the Hospital's attorney informed PERB that if the amendment of certification contemplated by PERB involved only a change in the name of the certified employee organization and not a change in the make-up of the certified bargaining unit, the Hospital would have no objection to the proposed amendment.

In this case, the Association's Petition asks only for a name change to more accurately reflect the bargaining unit that was certified by PERB. Likewise, the Public Notice of Proposed Decision which was issued by PERB states only that

PERB's intention is to amend the certification only to reflect a name change, and not to change the make-up of the unit itself in any way. If either party wished to amend the bargaining unit by adding or removing job classifications or by changing the titles of job classifications, a Petition for Amendment of Bargaining Unit would have to be filed pursuant to PERB Rule 4.6.

Since the effect of the Association's petition in this case is solely a name change, the Hospital's objections are not applicable. Accordingly, said stipulation having been tentatively approved by the Board and posted in conformance with the Board's Rules and Regulations, and the Board having no objections;

ORDER

IT IS HEREBY ORDERED that the certification of the Dickinson County Hospital Professional Nurses Association previously issued in Case No. 3144 be amended to the following:
