The expressing of any views, argument or opinion, or the dissemination thereof, whether orally or in written, printed, graphic, or visual form, shall not constitute or be evidence of any prohibited practice under any of the provisions of this chapter, if such expression contains no threat of reprisal or force or promise of benefit.

20.11 Prohibited practice violations.

1. Proceedings against a party alleging a violation of section 20.10 shall be commenced by filing a complaint with the board within ninety days of the alleged violation, causing a copy of the complaint to be served upon the accused party. The accused party shall have ten days within which to file a written answer to the complaint. However, the board may conduct a preliminary investigation of the alleged violation, and if the board determines that the complaint has no basis in fact, the board may dismiss the complaint. The board shall promptly thereafter set a time and place for hearing in the county where the alleged violation occurred, provided, however, that the presiding officer may conduct the hearing through the use of technology from a remote location. The parties shall be permitted to be represented by counsel, summon witnesses, and request the board to subpoena witnesses on the requester's behalf. Compliance with the technical rules of pleading and evidence shall not be required.

2. The board may designate one of its members, an administrative law judge, or any other qualified person employed by the board to serve as the presiding officer at the hearing. The presiding officer has the powers as may be exercised by the board for conducting the hearing and shall follow the procedures adopted by the board for conducting the hearing. 4. The board shall file its findings of fact and conclusions of law within sixty days of the close of any hearing, receipt of the transcript, or submission of any briefs. If the board finds that the party accused has committed a prohibited practice, the board may, within thirty days of its decision, enter into a consent order with the party to discontinue the practice, or after the thirty days following the decision may petition the district court for injunctive relief pursuant to rules of civil procedure 1.1501 to 1.1511.

5. The board's review of proposed decisions and the rehearing or judicial review of final decisions is governed by the provisions of chapter 17A.

20.12 Strikes prohibited.

1. It shall be unlawful for any public employee or any employee organization, directly or indirectly, to induce, instigate, encourage, authorize, ratify or participate in a strike against any public employer.

2. It shall be unlawful for any public employer to authorize, consent to, or condone a strike; or to pay or agree to pay any public employee for any day in which the employee participates in a strike; or to pay or agree to pay any increase in compensation or benefits to any public employee in response to or as a result of any strike or any act which violates subsection 1. It shall be unlawful for any official, director, or representative of any public employer to authorize, ratify or participate in any violation of this subsection. Nothing in this subsection shall prevent new or renewed bargaining and agreement within the scope of negotiations as defined by this chapter, at any time after such violation of subsection 1 has ceased; but it shall be unlawful for any public employer or employee organization to bargain at any time regarding suspension or modification of any penalty provided in this section or regarding any request by the public employer to a court for such suspension or modification.

3. In the event of any violation or imminently threatened violation of subsection 1 or 2, any citizen domiciled within the jurisdictional boundaries of the public employer may petition the district court for the county in which the violation occurs or the district court for Polk county for an injunction restraining such violation or imminently threatened violation. Rules of civil procedure 1.1501 to 1.1511 regarding injunctions shall apply. However, the court shall grant a temporary injunction if it appears to the court that a violation has occurred or is imminently threatened; the plaintiff need not show that the violation or threatened violation would greatly or irreparably injure the plaintiff; and no bond shall be required of the plaintiff unless the court determines that a bond is necessary in the public interest. Failure to comply with any temporary or permanent injunction granted pursuant to this section shall constitute a contempt punishable pursuant to chapter 665. The punishment shall not exceed five hundred dollars for an individual, or ten thousand dollars for an employee organization or public employer, for each day during which the failure to comply continues, or imprisonment in a county jail not exceeding six months, or both such fine and imprisonment. An individual or an employee organization which makes an active good faith effort to comply fully with the injunction shall not be deemed to be in contempt.

4. If a public employee is held to be in contempt of court for failure to comply with an injunction pursuant to this section, or is convicted of violating this section, the employee shall be ineligible for any employment by the same public employer for a period of twelve months. The employee's public employer shall immediately discharge the employee, but upon the employee's request the court shall stay the discharge to permit further judicial proceedings.

5. If an employee organization or any of its officers is held to be in contempt of court for failure to comply with an injunction pursuant to this section, or is convicted of violating this section, the employee organization shall be immediately decertified, shall cease to represent the bargaining unit, and may again be certified only after twenty-four months have elapsed from the effective date of decertification and only if a new petition for certification pursuant to section 20.14 is filed and a new certification election pursuant to section 20.15 is held. The penalties provided in this section may be suspended or modified by the court, but only upon request of the public employer and only if the court determines

the suspension or modification is in the public interest.

6. Each of the remedies and penalties provided by this section is separate and several, and is in addition to any other legal or equitable remedy or penalty.

20.13 Bargaining unit determination.

1. Board determination of an appropriate bargaining unit shall be upon petition filed by a public employer, public employee, or employee organization.

2. Within thirty days of receipt of a petition, the board shall conduct a public hearing, receive written or oral testimony, and promptly thereafter file an order defining the appropriate bargaining unit. In defining the unit, the board shall take into consideration, along with other relevant factors, the principles of efficient administration of government, the existence of a community of interest among public employees, the history and extent of public employee organization, geographical location, and the recommendations of the parties involved.

3. Appeals from such order shall be governed by the provisions of chapter 17A.

4. Professional and nonprofessional employees shall not be included in the same bargaining unit unless a majority of both agree.

20.14 Bargaining representative determination.

1. Board certification of an employee organization as the exclusive bargaining representative of a bargaining unit shall be upon a petition filed with the board by a public employer, public employee, or an employee organization and an election conducted pursuant to section 20.15.

2. The petition of an employee organization shall allege that:

a. The employee organization has submitted a request to a public employer to bargain collectively on behalf of a designated group of public employees.

b. The petition is accompanied by written evidence that thirty percent of such public employees are members of the employee organization or have authorized it to represent them for the purposes of collective bargaining.

3. The petition of a public employee shall allege that an employee organization which has been certified as the bargaining representative does not represent a majority of such public employees and that the petitioners do not want to be represented by an employee organization or seek certification of an employee organization.

4. The petition of a public employer shall allege that it has received a request to bargain from an employee organization which has not been certified as the bargaining representative of the public employees in an appropriate bargaining unit.

5. The board shall investigate the allegations of any petition and shall give reasonable notice of the receipt of such a petition to all public employees, employee organizations and public employers named or described in such petitions or interested in the representation questioned. The board shall thereafter call an election under section 20.15, unless:

a. It finds that less than thirty percent of the public employees in the unit appropriate for collective bargaining support the petition for decertification or for certification.

b. The appropriate bargaining unit has not been determined pursuant to section 20.13.

20.15 Elections — agreements with the state.

1. *Initial certification elections.*

a. Upon the filing of a petition for certification of an employee organization, the board shall submit a question to the public employees at an election in the bargaining unit found

appropriate by the board. The question on the ballot shall permit the public employees to vote for no bargaining representation or for any employee organization which has petitioned for certification or which has presented proof satisfactory to the board of support of thirty percent or more of the public employees in the appropriate unit.

b. (1) If a majority of the public employees in the bargaining unit vote for no bargaining representation, the public employees in the bargaining unit found appropriate by the board shall not be represented by an employee organization.

(2) If a majority of the public employees in the bargaining unit vote for a listed employee organization, then that employee organization shall represent the public employees in the bargaining unit found appropriate by the board.

(3) If none of the choices on the ballot receive the vote of a majority of the public employees in the bargaining unit, the public employees in the bargaining unit found appropriate by the board shall not be represented by an employee organization.

c. The board shall not consider a petition for certification of an employee organization as the exclusive representative of a bargaining unit unless a period of two years has elapsed from the date of the last certification election in which an employee organization was not certified as the exclusive representative of that bargaining unit, of the last retention and recertification election in which an employee organization was not retained and recertified as the exclusive representative of that bargaining unit, or of the last decertification election in which an employee organization was decertified as the exclusive representative of that bargaining unit. The board shall also not consider a petition for certification as the exclusive bargaining representative of a bargaining unit if the bargaining unit is at that time represented by a certified exclusive bargaining representative.

2. Retention and recertification elections.

a. The board shall conduct an election to retain and recertify the bargaining representative of a bargaining unit prior to the expiration of the bargaining unit's collective bargaining agreement. The question on the ballot shall be whether the bargaining representative of the public employees in the bargaining unit shall be retained and recertified as the bargaining representative of the public employees in the bargaining unit. For collective bargaining agreements with a June 30 expiration date, the election shall occur between June 1 and November 1, both dates included, in the year prior to that expiration date. For collective bargaining agreements with a different expiration date, the election shall occur between three hundred sixty-five and two hundred seventy days prior to the expiration date.

b. (1) If a majority of the public employees in the bargaining unit vote to retain and recertify the representative, the board shall retain and recertify the bargaining representative and the bargaining representative shall continue to represent the public employees in the bargaining unit.

(2) If a majority of the public employees in the bargaining unit do not vote to retain and recertify the representative, the board, after the period for filing written objections pursuant to subsection 4 has elapsed, shall immediately decertify the representative and the public employees shall not be represented by an employee organization except pursuant to the filing of a subsequent petition for certification of an employee organization as provided in section 20.14 and an election conducted pursuant to such petition. Such written objections and decertifications shall be subject to applicable administrative and judicial review.

3. Decertification elections.

a. Upon the filing of a petition for decertification of an employee organization, the board shall submit a question to the public employees at an election in the bargaining unit found

appropriate by the board. The question on the ballot shall be whether the bargaining representative of the public employees in the bargaining unit shall be decertified as the bargaining representative of public employees in the bargaining unit.

b. (1) If a majority of the public employees in the bargaining unit vote to decertify the bargaining representative, the board, after the period for filing written objections pursuant to subsection 4 has elapsed, shall immediately decertify the representative and the public employees shall not be represented by an employee organization except pursuant to the filing of a subsequent petition for certification of an employee organization as provided in section 20.14 and an election conducted pursuant to such petition. Such written objections and decertifications shall be subject to applicable administrative and judicial review.

(2) If a majority of the public employees in the bargaining unit do not vote to decertify the bargaining representative, the bargaining representative shall continue to represent the public employees in the bargaining unit.

c. The board shall not consider a petition for decertification of an employee organization unless a bargaining unit's collective bargaining agreement exceeds two years in length. The board shall not schedule a decertification election for a bargaining unit within one year of a prior certification, retention and recertification, or decertification election involving the bargaining unit. Unless otherwise prohibited by this paragraph, the board shall schedule a decertification election not less than one hundred fifty days before the expiration date of the bargaining unit's collective bargaining agreement.

4. *Invalidation of elections.* Upon written objections filed by any public employee, public employer, or employee organization involved in the election within ten days after notice of the results of the election, if the board finds that misconduct or other circumstances prevented the public employees eligible to vote from freely expressing their preferences, the board may invalidate the election and hold a second election for the public employees.

5. *Results certified.* Upon completion of a valid election in which the majority choice of the public employees in the bargaining unit is determined, the board shall certify the results of the election and shall give reasonable notice of the order to all employee organizations listed on the ballot, the public employers, and the public employees in the appropriate bargaining unit.

6. *State agreements.* A collective bargaining agreement with the state, its boards, commissions, departments, and agencies shall be for two years. The provisions of a collective bargaining agreement or arbitrator's award affecting state employees shall not provide for renegotiations which would require the refinancing of subjects within the scope of negotiations under section 20.9 for the second year of the term of the agreement, except as provided in section 20.17, subsection 6. The effective date of any such agreement shall be July 1 of odd-numbered years, provided that if an exclusive bargaining representative is certified on a date which will prevent the negotiation of a collective bargaining agreement prior to July 1 of odd-numbered years for a period of two years, the certified collective bargaining representative may negotiate a one-year contract with the public employer which shall be effective from July 1 of the even-numbered year to July 1 of the succeeding odd-numbered year when new agreements shall become effective.

20.16 Duty to bargain.

Upon the receipt by a public employer of a request from an employee organization to bargain on behalf of public employees, the duty to engage in collective bargaining shall arise if the employee organization has been certified by the board as the exclusive

bargaining representative for the public employees in that bargaining unit.

20.17 Procedures.

1. The employee organization certified as the bargaining representative shall be the exclusive representative of all public employees in the bargaining unit and shall represent all public employees fairly. However, any public employee may meet and adjust individual complaints with a public employer. To sustain a claim that a certified employee organization has committed a prohibited practice by breaching its duty of fair representation, a public employee must establish by a preponderance of the evidence action or inaction by the organization which was arbitrary, discriminatory, or in bad faith.

2. The employee organization and the public employer may designate any individual as its representative to engage in collective bargaining negotiations.

3. Negotiating sessions, strategy meetings of public employers, mediation, and the deliberative process of arbitrators shall be exempt from the provisions of chapter 21. However, the employee organization shall present its initial bargaining position to the public employer at the first bargaining session. The public employer shall present its initial bargaining position to the employee organization at the second bargaining session, which shall be held no later than two weeks following the first bargaining session. Both sessions shall be open to the public and subject to the provisions of chapter 21. Parties who by agreement are utilizing a cooperative alternative bargaining process may exchange their respective initial interest statements in lieu of initial bargaining positions at these open sessions. Hearings conducted by arbitrators shall be open to the public.

4. The terms of a proposed collective bargaining agreement shall be made available to the public by the public employer and reasonable notice shall be given to the public employees by the employee organization prior to a ratification election. The collective bargaining agreement shall become effective only if ratified by a majority of those voting by secret ballot.

5. Terms of any collective bargaining agreement may be enforced by a civil action in the district court of the county in which the agreement was made upon the initiative of either party.

6. A collective bargaining agreement or arbitrator's award shall not be valid or enforceable if its implementation would be inconsistent with any statutory limitation on the public employer's funds, spending or budget or would substantially impair or limit the performance of any statutory duty by the public employer. A collective bargaining agreement or arbitrator's award may provide for benefits conditional upon specified funds to be obtained by the public employer, but the agreement shall provide either for automatic reduction of such conditional benefits or for additional bargaining if the funds are not obtained or if a lesser amount is obtained.

7. If agreed to by the parties nothing in this chapter shall be construed to prohibit supplementary bargaining on behalf of public employees in a part of the bargaining unit concerning matters uniquely affecting those public employees or cooperation and coordination of bargaining between two or more bargaining units.

8. *a.* The salaries of all public employees of the state under a merit system and all other subjects within the scope of negotiations pursuant to the provisions of section 20.9 regarding public employees of the state shall be negotiated with the governor or the governor's designee on a statewide basis, except those subjects excluded from the scope of negotiations pursuant to the provisions of section 20.9, subsection 3.

b. For the negotiation of such a proposed, statewide collective bargaining agreement to

become effective in the year following an election described in section 39.9, a ratification election referred to in section 20.17, subsection 4, shall not be held, and the parties shall not request arbitration as provided in section 20.22, subsection 1, until at least two weeks after the date of the beginning of the term of office of the governor in that year as prescribed in the Constitution of the State of Iowa. On or after the beginning of the term of office of the governor in that year as prescribed in the Constitution of the State of Iowa, the governor shall have the authority to reject such a proposed statewide collective bargaining agreement. If the governor does so, the parties shall commence collective bargaining in accordance with section 20.17. Such negotiation shall be complete not later than March 15 of that year, unless the parties mutually agree to a different deadline. The board shall adopt rules pursuant to chapter 17A providing for alternative deadlines for the completion of the procedures provided in sections 20.17, 20.19, 20.20, and 20.22 for negotiation of such statewide collective bargaining agreements in such years, which deadlines may be waived by mutual agreement of the parties.

10. The negotiation of a proposed collective bargaining agreement by representatives of a state public employer and a state employee organization shall be complete not later than March 15 of the year when the agreement is to become effective. The board shall provide, by rule, a date on which any impasse item must be submitted to binding arbitration and for such other procedures as deemed necessary to provide for the completion of negotiations of proposed state collective bargaining agreements not later than March 15. The date selected for the mandatory submission of impasse items to binding arbitration shall be sufficiently in advance of March 15 to ensure that the arbitrator's award can be reasonably made before March 15.

11. *a.* In the absence of an impasse agreement negotiated pursuant to section 20.19 which provides for a different completion date, public employees represented by a certified employee organization who are teachers licensed under chapter 272 and who are employed by a public employer which is a school district or area education agency shall complete the negotiation of a proposed collective bargaining agreement not later than May 31 of the year when the agreement is to become effective. The board shall provide, by rule, a date on which impasse items in such cases must be submitted to binding arbitration and for such other procedures as deemed necessary to provide for the completion of negotiations of proposed collective bargaining agreements not later than May 31. The date selected for the mandatory submission of impasse items to binding arbitration in such cases shall be sufficiently in advance of May 31 to ensure that the arbitrator's award can be reasonably made by May 31.

b. In the absence of an impasse agreement negotiated pursuant to section 20.19 which provides for a different completion date, public employees represented by a certified employee organization who are employed by a public employer which is a community college shall complete the negotiation of a proposed collective bargaining agreement not later than May 31 of the year when the agreement is to become effective. The board shall provide, by rule, a date on which impasse items in such cases must be submitted to binding arbitration and for such other procedures as deemed necessary to provide for the completion of negotiations of proposed collective bargaining agreements not later than May 31. The date selected for the mandatory submission of impasse items to binding arbitration in such cases shall be sufficiently in advance of May 31 to ensure that the arbitrator's award can be reasonably made by May 31.

c. Notwithstanding the provisions of paragraphs "*a*" and "*b*", the May 31 deadline may be waived by mutual agreement of the parties to the collective bargaining agreement

negotiations.

20.18 Grievance procedures.

1. An agreement with an employee organization which is the exclusive representative of public employees in an appropriate unit may provide procedures for the consideration of public employee and employee organization grievances over the interpretation and application of agreements. Negotiated procedures may provide for binding arbitration of public employee and employee organization grievances over the interpretation and application of existing agreements. An arbitrator's decision on a grievance may not change or amend the terms, conditions, or applications of the collective bargaining agreement. Such procedures shall provide for the invoking of arbitration only with the approval of the employee organization in all instances, and in the case of an employee grievance, only with the additional approval of the public employee. The costs of arbitration shall be shared equally by the parties.

2. Public employees of the state or public employees covered by civil service shall follow either the grievance procedures provided in a collective bargaining agreement, or in the event that grievance procedures are not provided, shall follow grievance procedures established pursuant to chapter 8A, subchapter IV, or chapter 400, as applicable.

20.19 Impasse procedures — agreement of parties.

1. As the first step in the performance of their duty to bargain, the public employer and the employee organization shall endeavor to agree upon impasse procedures. Such agreement shall provide for implementation of these impasse procedures not later than one hundred twenty days prior to the certified budget submission date of the public employer. However, if public employees represented by the employee organization are teachers licensed under chapter 272, and the public employer is a school district or area education agency, the agreement shall provide for implementation of impasse procedures not later than one hundred twenty days prior to May 31 of the year when the collective bargaining agreement is to become effective. If the public employer is a community college, the agreement shall provide for implementation of impasse procedures not later than one hundred twenty days prior to May 31 of the year when the collective bargaining agreement is to become effective. If the public employer is not subject to the budget certification requirements of section 24.17 and other applicable sections, the agreement shall provide for implementation of impasse procedures not later than one hundred twenty days prior to the date the next fiscal or budget year of the public employer commences. If the parties fail to agree upon impasse procedures under the provisions of this section, the impasse procedures provided in sections 20.20 to 20.22 shall apply.

2. Parties who by agreement are utilizing a cooperative alternative bargaining process shall, at the outset of such process, agree upon a method and schedule for the completion of impasse procedures should they fail to reach a collective bargaining agreement through the use of such alternative bargaining process.

20.20 Mediation.

In the absence of an impasse agreement negotiated pursuant to section 20.19 or the failure of either party to utilize its procedures, one hundred twenty days prior to the certified budget submission date, or one hundred twenty days prior to May 31 of the year when the collective bargaining agreement is to become effective if public employees represented by the employee organization are teachers licensed under chapter 272 and the public employer

is a school district or area education agency, the board shall, upon the request of either party, appoint an impartial and disinterested person to act as mediator. If the public employer is a community college, and in the absence of an impasse agreement negotiated pursuant to section 20.19 or the failure of either party to utilize its procedures, one hundred twenty days prior to May 31 of the year when the collective bargaining agreement is to become effective, the board, upon the request of either party, shall appoint an impartial and disinterested person to act as mediator. If the public employer is not subject to the budget certification requirements of section 24.17 or other applicable sections and in the absence of an impasse agreement negotiated pursuant to section 20.19, or the failure of either party to utilize its procedures, one hundred twenty days prior to the date the next fiscal or budget year of the public employer commences, the board, upon the request of either party, shall appoint an impartial and disinterested person to act as a mediator. It shall be the function of the mediator to bring the parties together to effectuate a settlement of the dispute, but the mediator may not compel the parties to agree.

20.21 Fact-finding. Repealed by 2010 Acts, ch 1165, §31.

20.22 Binding arbitration.

1. If an impasse persists ten days after the mediator has been appointed, the board shall have the power, upon request of either party, to arrange for arbitration, which shall be binding. The request for arbitration shall be in writing and a copy of the request shall be served upon the other party.

2. Each party shall serve its final offer on each of the impasse items upon the other party within four days of the board's receipt of the request for arbitration, or by a deadline otherwise agreed upon by the parties. The parties may continue to negotiate all offers until an agreement is reached or an award is rendered by the arbitrator. The full costs of arbitration under this section shall be shared equally by the parties to the dispute.

3. The submission of the impasse items to the arbitrator shall be limited to those items upon which the parties have not reached agreement. With respect to each such item, the arbitrator's award shall be restricted to the final offers on each impasse item submitted by the parties to the arbitrator, except as provided in subsection 9, paragraph "b".

4. Upon the filing of the request for arbitration, a list of five arbitrators shall be served upon the parties by the board. Within five days of service of the list, the parties shall determine by lot which party shall remove the first name from the list and the parties shall then alternately remove names from the list until the name of one person remains, who shall become the arbitrator. The parties shall immediately notify the board of their selection and the board shall notify the arbitrator. After consultation with the parties, the arbitrator shall set a time and place for an arbitration hearing.

5. The arbitrator shall at no time engage in an effort to mediate or otherwise settle the dispute in any manner other than that prescribed in this section.

6. From the time the board notifies the arbitrator of the selection of the arbitrator until such time as the arbitrator's selection on each impasse item is made, there shall be no discussion concerning recommendations for settlement of the dispute by the arbitrator with parties other than those who are direct parties to the dispute.

7. For an arbitration involving a bargaining unit that has at least thirty percent of members who are public safety employees, the arbitrator shall consider and specifically address in the arbitrator's determination, in addition to any other relevant factors, the following factors:

a. Past collective bargaining contracts between the parties including the bargaining that led up to such contracts.

b. Comparison of wages, hours and conditions of employment of the involved public employees with those of other public employees doing comparable work, giving consideration to factors peculiar to the area and the classifications involved.

c. The interests and welfare of the public, the ability of the public employer to finance economic adjustments and the effect of such adjustments on the normal standard of services.

7A. For an arbitration involving a bargaining unit that does not have at least thirty percent of members who are public safety employees, the following shall apply:

a. The arbitrator shall consider and specifically address in the arbitrator's determination, in addition to any other relevant factors, the following factors:

(1) Comparison of base wages, hours, and conditions of employment of the involved public employees with those of other public employees doing comparable work, giving consideration to factors peculiar to the area and the classifications involved. To the extent adequate, applicable data is available, the arbitrator shall also compare base wages, hours, and conditions of employment of the involved public employees with those of private sector employees doing comparable work, giving consideration to factors peculiar to the area and the classifications involved.

(2) The interests and welfare of the public.

(3) The financial ability of the employer to meet the cost of an offer in light of the current economic conditions of the public employer. The arbitrator shall give substantial weight to evidence that the public employer's authority to utilize funds is restricted to special purposes or circumstances by state or federal law, rules, regulations, or grant requirements.

b. The arbitrator shall not consider the following factors:

(1) Past collective bargaining agreements between the parties or bargaining that led to such agreements.

(2) The public employer's ability to fund an award through the increase or imposition of new taxes, fees, or charges, or to develop other sources of revenues.

8. *a.* The arbitrator may administer oaths, examine witnesses and documents, take testimony and receive evidence, and issue subpoenas to compel the attendance of witnesses and the production of records. The arbitrator may petition the district court at the seat of government or of the county in which the hearing is held to enforce the order of the arbitrator compelling the attendance of witnesses and the production of records.

b. Except as required for purposes of the consideration of the factors specified in subsection 7, paragraphs "a" through "c", and subsection 7A, paragraph "a", subparagraphs (1) through (3), the parties shall not introduce, and the arbitrator shall not accept or consider, any direct or indirect evidence regarding any subject excluded from negotiations pursuant to section 20.9.

9. *a.* The arbitrator shall select within fifteen days after the hearing the most reasonable offer, in the arbitrator's judgment, of the final offers on each impasse item submitted by the parties.

b. (1) However, for an arbitration involving a bargaining unit that does not have at least thirty percent of members who are public safety employees, with respect to any increase in base wages, the arbitrator's award shall not exceed the lesser of the following percentages in any one-year period in the duration of the bargaining agreement:

(a) Three percent.

(b) A percentage equal to the increase in the consumer price index for all urban

consumers for the midwest region, if any, as determined by the United States department of labor, bureau of labor statistics, or a successor index. Such percentage shall be the change in the consumer price index for the twelve-month period beginning eighteen months prior to the month in which the impasse item regarding base wages was submitted to the arbitrator and ending six months prior to the month in which the impasse item regarding base wages was submitted to the arbitrator.

(2) To assist the parties in the preparation of their final offers on an impasse item regarding base wages, the board shall provide information to the parties regarding the change in the consumer price index for all urban consumers for the midwest region for any twelve-month period. The department of workforce development shall assist the board in preparing such information upon request.

10. The selections by the arbitrator and items agreed upon by the public employer and the employee organization, shall be deemed to be the collective bargaining agreement between the parties.

11. The determination of the arbitrator shall be final and binding subject to the provisions of section 20.17, subsection 6. The arbitrator shall give written explanation for the arbitrator's selections and inform the parties of the decision.

c. Every official or employee of an employee organization who handles funds or other property of the organization, or trust in which an organization is interested, or a subsidiary organization, shall be bonded. The amount, scope, and form of the bond shall be determined by the board.

4. The governing rules of every employee organization shall provide for periodic elections by secret ballot subject to recognized safeguards concerning the equal right of all members to nominate, seek office, and vote in such elections, the right of individual members to participate in the affairs of the organization, and fair and equitable procedures in disciplinary actions.

5. The board shall prescribe rules necessary to govern the establishment and reporting of trusteeships over employee organizations. Establishment of such trusteeships shall be permitted only if the constitution or bylaws of the organization set forth reasonable procedures.

6. An employee organization that has not registered or filed an annual report, or that has failed to comply with other provisions of this chapter, shall not be certified. Certified employee organizations failing to comply with this chapter may have such certification revoked by the board. 20.27 Conflict with federal aid.

If any provision of this chapter jeopardizes the receipt by the state or any of its political subdivisions of any federal grant-in-aid funds or other federal allotment of money, the provisions of this chapter shall, insofar as the fund is jeopardized, be deemed to be inoperative.

20.28 Inconsistent statutes — effect.
